

~~LUKE~~

LUKE
How was your day?

LUKE'S MOM
Oh you know

LUKE

LUKE'S MOM

I think that new priest candidate is coming
From California
So that's good

LUKE

LUKE'S MOM

Apparently it's some kind of secret
She's not telling her congregation that she's thinking of leaving, so
We have to be all secretive about it

...
...
She's flying cross-country on a Tuesday so she won't be missed, so
I don't know
It sounds kind of crazy to me but
Who knows
She's our only candidate, so
Hopefully she's not too crazy

LUKE
She's flying cross-country?

LUKE'S MOM
Yeah

LUKE
And she's not telling anybody?

LUKE'S MOM
Apparently

LUKE
That's cool

LUKE'S MOM
It's stressful... It's more stressful than it's cool

...
...
...
...
I just hope this lady from California does more than give
good sermons. Good sermons don't bring in crowds. We need
someone who's a go-getter. She's flaky-wo, so I don't know.
I was hoping for someone younger.

LUKE
Yeah

LUKE
All I want

*Is someone to drive me
Driving in cars.....
Driving in cars at night...
Driving in cars at night with the rain
spraying the dashboard and a seat warmer
that makes my butt hot. Hot like when I used
to sit my naked ass on the radiator at home
growing up. A hot butt makes me sleepy. And*

MZNZ

I'd get so sleepy. Riding in cars at night. But it's the delicious kind of sleepy. Where you wish you could stay in that liminal state forever watching the raindrops on the windshield and the world blurring by..... and my Mom... listening to my Mom... remembering listening to my Mom.... all I want is to be in a car at night, sleepy and listening to my Mom

...

LUKE'S MOM
How's dance?

LUKE
Huh?

LUKE'S MOM
How was dance? Did you learn something?

LUKE
It was fine

LUKE'S MOM
What are you working on now? Are you still doing that sailor--

LUKE
No we switched. We're doing Citizens

...

...
We're doing this whole thing with Gandhi

LUKE'S MOM
That sounds fun

...
And you're liking it?

He sings.
LUKE'S MOM
Because you don't have to keep doing it if you're not liking it. You could do ice skating / or music

LUKE
No I like it!

LUKE'S MOM
Just as long as you're liking it

LUKE
I like it

LUKE'S MOM
Okay

...
The good

LUKE
...

LUKE'S MOM
...

Somewhere, moon, window etc.
